

**U.S. APPLN. NO. 08/932,238  
AMENDMENT AND RESPONSE  
TO REQUIREMENT TO ELECT SPECIES**

**REMARKS**

This is in response to the Requirement to Elect Species in the above-identified application.

Applicants herein elect **Species I, Figure 8B**, without traverse. Applicants advise that claims **1, 2, and 4** read on the elected species.

Applicants also add new claim 43. Claim 43 is generic to Species I, Figure 8B; Species II, Figure 9B; Species VI, Figure 13; Species IX, Figure 16; and Species X, Figure 17. Claims 1-12 are directed to those species, and therefore, claims 1-12 would be subject to examination in this application upon the allowance of claim 43. Further claims 1, 2, and 4 are subject to immediate examination as covering the elected species.

An Office Action on the merits is requested.

Respectfully submitted,
